Clubhouse Expansion Project Update

The club is exploring options to expand the clubhouse and add an additional indoor range. Architectural drawings and blueprints have been completed and are available online. We are investigating financing options with local banks and will soon have a plan to present to the membership for review and approval. For more information about the project and to stay informed as things progress, please visit <http://lprgc.org/expansion>

Membership Options Overview

This year the club amended its bylaws to expand our membership categories. These categories can be found in Section IV of the bylaws, and are explained below.

Regular Members are adult individual members of the club.

Senior Citizen Members have the same rights and privileges as Regular Members. In order to be eligible for this discounted rate, you must be a member of the club for at least 15 years, **and** be 65 years of age or older.

Spouse/Partner Memberships were expanded to include girlfriends/boyfriends, fiancées, and domestic partners of Regular Members. If you're living together under the same roof and weren't sure if you could be considered a spouse in the past, this should clear things up.

Enhanced Spouse/Partner memberships were added to allow these members to use the club without a Regular Member accompanying them. These members enjoy the same rights and privileges as our Regular Members. If you and your spouse were previously maintaining two Regular memberships or would like to both be able to use the club individually, this new membership category will allow you to do so at a discount.

Group Industry members were added this year as a way to encourage local firearms and archery related businesses to join the club at a discounted rate. If your industry-related company employs 10 or more club members, they can receive a 25% discount on their membership. Contact the membership secretary at membership@lprgc.org to find out more about this program.
