New Membership Cards

As part of the clubhouse renovations, we have upgraded our security system at LPRGC. Last year you received a new membership card with your name printed on it and an American Flag in the background. The old cards are no longer in use and can be thrown out.

The new security system is tied directly to the membership system, so cards can be turned on and off efficiently and are updated with information about guest passes, junior and spouse members, etc. Your membership status, including guest pass, junior, and spouse members can be seen by swiping your key under the TV in the clubhouse entranceway. You will not receive any stickers or other communication from the club once your renewal is received. Your card will continue to work as long as yearly dues are paid.

Membership Pricing

In March of 2016 the membership voted to change the dues structure for new members joining after the completion of the clubhouse expansion. The renewal pricing on the previous page reflects both structures. Please choose the correct columns when renewing. For your convenience we have printed your join date on your new membership card.

	Before April 2016	After
Annual Dues	\$150	\$200
Senior Rate	\$37.50	\$50
Spouse	\$22.50	\$30
Enhanced Spouse	\$50	\$66
Junior	\$15	\$20
Guest Stamp	\$50	\$50

Membership Options Overview

Regular Members are adult individual members of the club.

Senior Citizen Members have the same rights and privileges as Regular Members. In order to be eligible for this discounted rate, you must be a member of the club **continuously for at least 15 years, and be 65 years of age or older.**

Spouse/Partner Memberships were expanded to include girlfriends/boyfriends, fiancées, and domestic partners of Regular Members. If you're living together under the same roof and weren't sure if you could be considered a spouse in the past, this should clear things up.

Enhanced Spouse/Partner memberships were added to allow these members to use the club without a Regular Member accompanying them. These members enjoy the same rights and privileges as our Regular Members. If you and your spouse were previously maintaining two Regular memberships or would like to both be able to use the club individually, this new membership category will allow you to do so at a discount.
